

CERTIFICATE OF SECURITY AUDIT

This certifies that:

Crespect Web Application
developed by **Crespect OÜ**

has successfully passed an independent security assessment and penetration testing conducted by LogicalTrust using a grey-box testing approach and following OWASP, OSSTMM, and NIST methodologies.

A detailed final report, including vulnerability analysis, classification, and remediation recommendations, was provided. All identified vulnerabilities were resolved, demonstrating Crespect OÜ's commitment to maintaining top security standards and safeguarding customer data.

Issued By:

LogicalTrust sp. z o.o. sp. k.
